## PRIVATE WINERY FUNCTIONS

"Making great wine takes vision – and luck. Anthony von Mandl has both...he's made Canada's Mission Hill into a world-class winery, with world class art and a restaurant to match."

*- Food & Wine Magazine, February 2004*

Located in the heart of British Columbia's Okanagan Valley, our family-owned winery produces distinctive, internationally acclaimed discovery wines. We welcome visitors year round and encourage our guests to escape the hurried pace of daily life by immersing themselves in an environment dedicated to the sensory pleasures of wine, food and the arts.

A warm welcome,  
The von Mandl family

From time to time, the winery will host select private events and corporate functions, including retreats and exclusive, elegant dinners. This is virtually the only way to experience this magical setting unless you are a guest of the proprietor. Your event will undoubtedly be unique, perhaps even unforgettable...

Our facilities at the winery include an intimate theatre, meeting venue, education centre and a private tasting salon. During the off-season, we can accommodate up to 60 people. From May to October, we welcome larger parties. The winery's culinary team, led by renowned Chef Michael Allemeier, can design a menu that pairs our distinctly styled wines with the best regional and seasonal ingredients.

An outdoor amphitheatre seats up to 600 guests and has played host to Opera, Shakespeare, symphony performances and nationally recognized Jazz artists.

Our Chagall Room, named for the one-of-a-kind Marc Chagall tapestry that graces its walls has a 72-person seating capacity.

Our Theatre is an indoor venue connected to our Culinary Centre. It has a 30-person seating

capacity. If the adjacent Chagall Room is also used, up to 200 people can enjoy a stand up reception.

For an especially unforgettable experience, join Winery Chef Michael Allemeier at his Chef's Table (see below). Your exclusive encounter begins with a private, guided winery tour and a tutored tasting of three select wines. That will be followed by a seven-course wine & food-pairing menu to tempt your palate. All of our dishes are crafted from the freshest, locally grown ingredients. A six-person minimum is required for a Chef's Table, although we can accommodate up to 10 guests.

While our award-winning outdoor dining Terrace is open to the public for lunch and dinner seasonally, on certain occasions it may be available for private functions subject to a minimum booking. As this is an outdoor venue, we ask our clients to assume the risk for inclement weather.

During the summer and early fall, our guests may use the Winery Courtyard, Loggia and Loggia Garden for private functions

Loggia Garden

"Allemeier's cuisine is meticulously built around Mission Hill Wines and local artisanal ingredients"

- Timothy Taylor

*Food & Wine Magazine, February 2004*

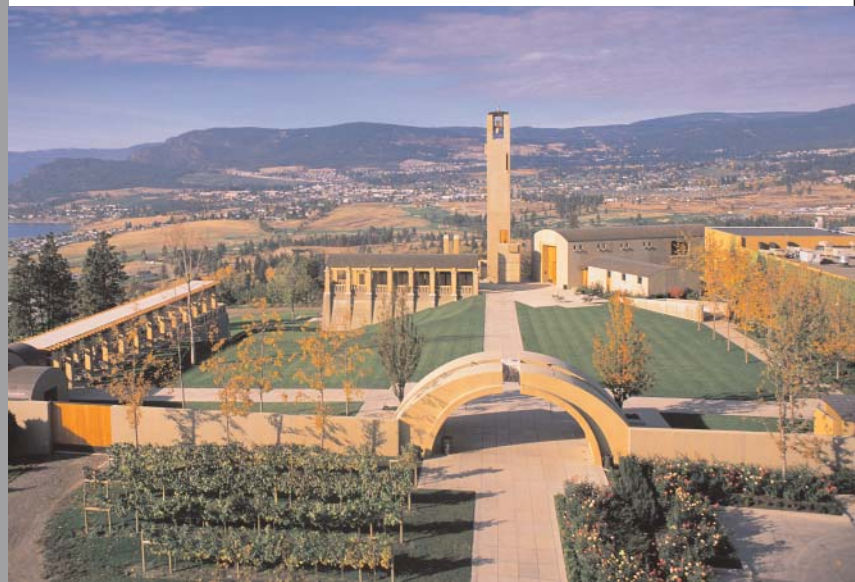

The magical Winery Courtyard, framed by our 12-storey Bell Tower on one side and the von Mandl family Keystone on the other, is available nightly from 6-10pm. Three Marquee tents, each with a 70-person seating capacity may be rented for special events. The tents offer full coverage, however this venue is subject to changing weather and we must ask that clients accept the risk of inclement conditions.

The Loggia will seat 60 people comfortably and is spacious enough for a standing reception of 120. This semi-private venue is located off the Winery Courtyard overlooking the amphitheatre and features a breathtaking view of Lake Okanagan and the mountains beyond. While this is a covered outdoor area, it too, is subject to changing weather patterns. As a result, we again ask our clients to accept the risk of inclement conditions. The Loggia is available nightly for functions from 6-10pm.

Situated adjacent to the underground Barrel Cellar and proprietor Anthony von Mandl's Private Dining room, the Loggia Garden can accommodate 50 people seated or 140 people for a standing open-air reception. Available from noon through 6pm, we respectfully ask our clients to accept the risk of inclement weather when arranging a function in this venue.
