TERROIR COLLECTION 2017 PINOT NOIR REFLECTION POINT

The uniqueness of site and soil; a depiction of the diverse Okanagan microclimates.

REFLECTION POINT

On the brow of Mt. Bourcherie, an inactive volcano in West Kelowna, is a steep vineyard. This location presents a stunning view and is the inspiration for this small lot offering - Reflection Point Pinot Noir. The name relates to the Lake's reflection and the opportunity to give pause to thought... to be close to nature. This Pinot Noir is unfiltered, unfinned, and wild fermented. A very natural approach to our winemaking with this delicate and fickle grape.

FLAVOUR PROFILE

Structured, elegant and balanced with notes of dark cherry, plum and spice. The palate is rich and complex, yet graceful with a persistent finish.
